

Lector and Chalice Bearer Assignments

10:30 a.m. worship and special services; Present through 1st-August 2017

(* is a placeholder for who is assigned last in this rotation)

ALL readings assigned to storytellers are stories to be memorized. IF you cannot get your scripture memorized in time, please read it from the ambo rather than refer to your script several times while you are presenting the reading in front of the altar. However, storytellers please renew your effort to memorize your assignments.

Chalicers: After the elements are prepared for communion. Fr. Mark goes to his right to administer the bread; you are to go to your left (and around the altar) so you don't look like you're vying for space.

When you switch assignments with someone else, let David Law and me know so we can adjust our expectations. If you simply cannot find someone to trade with, send me an email (sandrateel@gmail.com) and I'll put out the call. You can send an email to all yourself but, again, let David and me know if you switch. If it's last minute and you just can't serve, send me a text (803-479-5950) and identify yourself. **Please try not to post your absence to Facebook.** Lectors and chalicers (that's all of you) are trained so not all can sub for you.
